

STAFF WELLBEING POLICY

Current Version 1.0

1. Statement of intent

- At St Andrew's Pre-school we emphasise the importance of positive relationships. This begins with the relationship within the staff team. We promote a mutually welcoming atmosphere amongst our staff team.
- St Andrew's Pre-school is committed to providing a safe, secure and supportive environment for all members of staff.
- All members of staff will be made aware of the warning signs that can indicate whether a person is having trouble managing stress. All members of staff will be vigilant for signs of difficulty managing stress in their colleagues, as well as themselves.

5 steps to mental wellbeing

<https://www.nhs.uk/mental-health/self-help/guides-tools-and-activities/five-steps-to-mental-wellbeing>

Evidence suggests there are 5 steps you can take to improve your mental health and wellbeing. Trying these things could help you feel more positive and able to get the most out of life.

Connect with other people

Good relationships are important for your mental wellbeing.

Be physically active

Being active is not only great for your physical health and fitness. Evidence also shows it can also improve your mental wellbeing.

Learn new skills

Research shows that learning new skills can also improve your mental wellbeing.

Give to others

Research suggests that acts of giving and kindness can help improve your mental wellbeing.

Pay attention to the present moment (mindfulness)

Paying more attention to the present moment can improve your mental wellbeing. This includes your thoughts and feelings, your body and the world around you.

2. Warning signs

Some of the behavioural indicators that are caused by stress include, but are not limited to the following:

- Difficulty sleeping
- Changes in eating habit
- Increased smoking or drinking
- Isolation from friends and family
