

LOST CHILD POLICY

Current Version 1.0

Lost Child Policy

- As soon as a child is discovered missing, search inside and outside.
- If the child is still missing after a thorough search, phone 999.
- Phone parents to inform them of the situation.
- Keep searching until the police arrive and phone for back-up support from the Committee.
- Once the situation is resolved, and the cause of the incident has been investigated, a detailed report will be drawn-up.
